DETAILED ACTION

1. Applicant's April 2, 2004 Amendment and REMARKS have been reviewed. The previous rejection is withdrawn pursuant to this communication.

Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(a) the invention was known or used by others in this country, or patented or described in a printed publication in this or a foreign country, before the invention thereof by the applicant for a patent.

3. Claims 1-30 are rejected under 35 U.S.C. 102(a) as being anticipated by Rosenberg et al., US 6,418,416.

Rosenberg discloses receiving an electronic inventory, e.g. 268, of an inventory allocation, e.g. cols. 4-6, e.g. 110, 125, 155, that is automatically replenished, e.g. Fig. 2, through the completion of on-line transactions, e.g. Internet 145, supplier interface 165, when the inventory is reduced below a pre-set level, e.g. cols. 11-12, lines 63-2, and a dynamic calculation, e.g. server 130. The memory is inherent in Rosenberg. It is noted that Rosenberg's inventory allocation may be received from a remote site over the distributed network.

4. Further pertinent references of interest are noted on the attached PTO-892.

Conclusion

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
